Starting Line Instructions

1. Starting line - All teams will be clerked at their respective starting boxes.
2. Twenty minutes prior to the start of the women's race, there will be a brief opening ceremony, with a welcome, a brief prayer and the National Anthem.
3. Fifteen minutes prior to the start, the starter will fire the gun indicating that there are 15 minutes to start time. Athletes should start reporting to the line to be checked in.
4. Clerks will be checking that uniforms are school issued with no unauthorized logos or statements, teams are in the correct starting boxes, and that the athletes are wearing bib number/chips.
5. Starting commands - The starter will locate himself approximately 75 meters up from the start line in the middle of the course. He will give an extended whistle blast, at which time athletes should come to the line and become motionless. After the whistle blast, the starter will raise the gun and red flag together. When he reaches the top, over his head, and all athletes are still, the gun will be fired.

The Elvin R. King Cross Country Course

A new era began in Cedarville University cross country with the opening of the Elvin R. King Cross Country Course. The venue was dedicated and named in honor of CU's Hall of Fame coach during Homecoming Weekend on Oct. 7, 2006.

The new home site, located at the north end of the campus just east of State Route 72, was constructed on 150 acres of property and was designed and built under the direction of former athletic director Pete Reese and King. Athletes run entirely on a grass course that includes rolling hills.

This unique venue, which meets all of the NCAA requirements for a cross country course, hosted its first meet on Sept. 16, 2006 with the 16th Annual Cedarville Invitational. Nearly 1,000 runners participated in eight races and both Yellow Jacket teams won the first-ever college races on the course.

The site annually hosts the Friendship Invitational and continues to be the setting for the National Christian College Athletic Association Championships each November. Besides the high school and junior high competitions in the Friendship Invitational, the Ohio Heritage Conference has staged its championship meets on the course.

The primary cross country courses are the 5,000 meter layout for women and the 8,000 meter course for men. There is also a 3,200-meter course for junior high competition.

The Yellow Jackets called John Bryan State Park as its cross country home for the better part of four decades. The beautiful site served as host of the NCCAA Championships from 1978 through 1992 and again from 1995 through 2005. It also hosted the annual Cedarville Invitational, the NAIA District 22 Championship, the Mid-Ohio Conference Championship, the American Midwest Conference Championship, and a number of high school meets.
